

Lake Travis High School Football JV Black Game Summary

**LT vs. Marble Falls - 10/27/2011
32-0 (W)**

On Thursday night the JV Black traveled to Marble Falls to take on the Mustangs and won 32-0. Nick Medina found Cody Reichle on the first drive for a touchdown to take an early 6-0 lead. The score would stay that way until early in the fourth quarter when Medina found Troy Stevenson on an 8 yard touchdown to take a 13-0 lead. After another great defensive stand, QB Ryon Mays scored on a 5 yard run. The Cavaliers would recover the kickoff and Mays found the end zone again, this time from 15 yards out. Mays would add the last score of the game on a 2 yard touchdown run.

The JV Black defense was lead by Hagen Patterson and Tre Battle. Patterson, who was injured early in the game, came back to lead the stingy Cav defense to their 3rd shutout of the year and in district play. Vince Villagomez recovered the kickoff for the Cavs that gave them great field position.

The JV Black will play at home next week versus Cedar Park for the District Championship. The young Cavs have a season record of 7-2 and 5-0 in District play.
